

Mission

Our mission is to provide a network in which parents of children with special needs (medical, behavioral, developmental, learning, and mental health) have access to relevant information, training and emotional support; and to encourage an atmosphere of effective communication, understanding, and mutual respect among all students, parents, educators and the community-at-large

Come join other parents as we provide a place to learn, advocate and support one another on our journeys through the world of special education.

Hear from speakers, access current information, network with others.

The world of special education doesn't have to be scary.

Together

we can make a

difference!
